RELEASE

The Director General of MAGZI hereby reminds client companies of the contractual deadline for payment of their rental charges, which is **January 31 for the first half of 2024**.

It is, however, regrettable that many of these companies still have several unpaid semesters, the large volume of which is causing MAGZI enormous financial damage and seriously compromising the achievement of its performance objectives.

In view of the above, the Director General is calling on the business people concerned to take all the necessary measures to pay their debts in full within the agreed deadline, **failing which actions will be taken against them, in accordance with the law, to terminate their lease agreements and enforce recovery of the sums due.**
