## RELEASE

No. 009 /02/2024/MAGZI/DG/CTPB

It has been brought to my attention that the new NOMAYOS industrial zone is currently being illegally occupied by unauthorised people who are attempting to carry on construction works there.

The Director General hereby informs those concerned and the general public that this industrial zone is the property of MAGZI by virtue of land title No. 00009481/MEFOU AND AKONO, issued at the end of a regular expropriation procedure and declared of public interest after which compensation had been paid to those who suffered loss of rights or destruction of property as part of the development and creation of this new industrial zone.

Given the imminent launching of development works, he is calling on these illegal occupants to stop and dismantle the constructions in progress as soon as possible, failing which MAGZI will assist them in doing so, in accordance with the legislation in force.
